# CAMP IN A NATURAL WILDERNESS

Discover your family's next camping adventure inside the Walt Disney World Vacation Kingdom — at the Fort Wilderness Campground Resort! Your Fort Wilderness "home base" is one of over 800 campsites secluded amidst 650 acres of woods and winding streams. Each campsite comfortably accommodates as many as seven people and features the following comforts of home: a charcoal grill, 110/220 volt electricity, water, waste disposal systems — even a picnic table. There's a special area set aside just for tent campers, too, and convenient air-conditioned comfort stations include private showers, ice dispensers, restrooms, laundry facilities and telephones.

Best of all, as Fort Wilderness Resort guests, you're just across beautiful Bay Lake from the fun and fantasy of the Magic Kingdom!

## WILDERNESS RECREATION

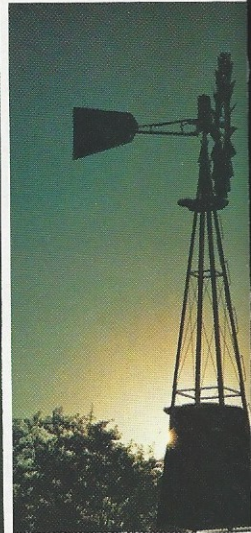

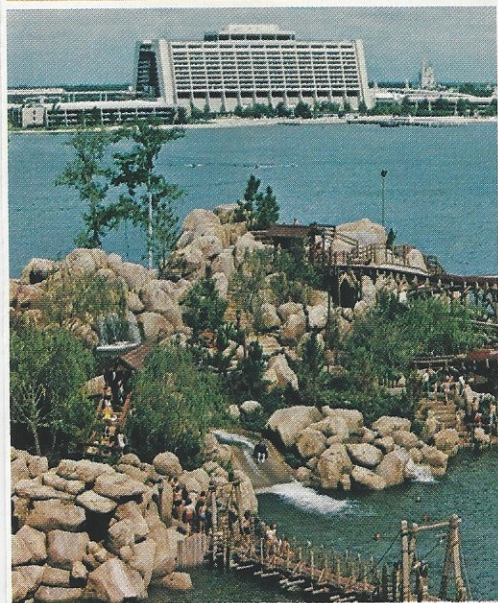

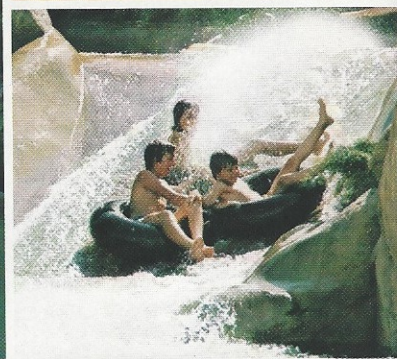

Camping Fort Wilderness-style means camping in a World of vacation fun. Enjoy bicycling, boating, swimming, fishing, as well as water-skiing, horseback riding, basketball or volleyball. Tennis courts and three 18-hole championship golf courses are nearby. Children's play areas are located throughout the campground, and our Petting Farm features some of the friendliest critters around.

# RIVER COUNTRY

Next to Pioneer Hall, you'll find River Country, our old-fashioned swimmin' hole, where you can ride, slide, and splash away the day umpteen different ways! Take a rib-ticklin' glide down a spiralling 260-foot-long slide. Sail through the air on a rope swing. Navigate a tube down winding rapids. Or just soak up some sun along the soft, sandy beach.

You can enjoy a whole day of water adventures, all for one River Country admission ticket.

# DISCOVERY ISLAND

Come visit an island paradise! Here, amidst tropical foliage and towering palms, is a wildlife sanctuary for African cranes, scarlet macaws, and other rare and exotic birds. Explore the landscaped splendor of a gigantic walk-through aviary. Enjoy the comic antics of the cockatoos and macaws. Or visit with our resident sloppokes, the Galapagos tortoises.

Quickly accessible by motor launch, Discovery Island is a place where everyone should be "cast off" for awhile.

## FOOD 'N FUN

At the Settlement and Meadow Trading posts, you'll find a wide variety of deli and grocery items for your own campfire cookin' (camping gear and accessories also for sale). Or, for a quick lunch or evening snack, the Campfire Snack Bar is just the spot. Pioneer Hall's Trail's End Buffeteria also features delicious buffet meals — plus, each evening is "build your own pizza" time, accompanied by a ragtime piano.
